

# MOAS

MIGRANT OFFSHORE AID STATION

**NOBODY DESERVES**

**TO DIE AT SEA**

# SETTING THE SCENE

**When conviction is persevered success will follow...*Christopher Catrambone***

**As a citizens of this world we just could not remain bystanders...*Christopher and Regina Catrambone***

# A RESPONSIBILITY TO PROTECT ONE STEP BEYOND THE LEGAL OBLIGATION

Three conventions to which most States are a party:

- a. 1982 United Nations Convention on the Law of the Sea (UNCLOS)
- b. 1974 International Convention for the Safety of Life at Sea (SOLAS)
- c. 1979 International Convention on Maritime Search and Rescue (SAR)

# WHAT IS MOAS?

The idea is simple - The execution is complex

The method is efficient

# MOAS and the drones

# Partnerships that save lives

# MOAS Action above Activism

210 days of operations

11,680 people rescued

7,072 taken board

350+ calls from MRCC
